

Lunch Accounts

Hello Elder Parents:

As we prepare to kick off our new payment system for meals on January 12th please follow these easy steps to set up a lunch account for your son:

1. Ensure that your son knows his Student ID #. This number will be his PIN # used to access his lunch account. It's a 7-digit number that is found on his class schedule or ID Card.
2. After January 12th send in a check payable to Elder High School with your son. Your son will deposit the check, sealed in an envelope, in the secured collection box located in the main office. Please make sure his name and ID# are on the memo line of the check. This money will be posted to his lunch account within 2 business days. Any cashier in the school Lunch Room will be able to advise your son of his account balance during the lunch periods.
3. After Jan 19th go to Elderhs.org for a link to EZ Pay web site to set up a free account to view your son's lunch purchases. You can also receive low balance emails and for a small fee make online payments to your meal account.
4. Your son can eat breakfast, lunch or purchase a la carte items from his account throughout the year.

It's that easy!

Our new cash register system will be in operation January 12, 2010.

If you have any questions, please feel free to call Rene Howard at 513-791-5791 X2224, Angie Braun at 513-921-3744 X3117 or send an email to ReneHoward1@yahoo.com.

Thanks so much!

Sincerely,

Rene Howard
